American ic Book Chronicles: The 1990s by Keith Dallas

The American ic Book Chronicles is an ambitious series of books attempting to pull together all fo the information about comic books in America, decade by decade. It covers creators, sales, characters and relevant storylines, as well as putting these things in a proper historic context. It's a complicated task, and the book covering the 1990's was an excellent book, not just because of the knowledge given, but also in that it is written in a style that makes the book eminently readable.
