What Are the Duties of Local Law Enforcement? | Chron

A career in local law enforcement is anything but mundane. From stopping crimes in progress to taking crime reports that may be used in trials, local police officers, patrolmen, detectives and sheriffs have a variety of duties.

Law enforcement in the United States

Metropolitan departments have usually been formed by a merger between local agencies, typically several local police departments and often the local sheriff's department or office, in efforts to provide greater efficiency by centralizing command and resources and to resolve jurisdictional problems, often in communities experiencing rapid population growth and urban sprawl, or in neighboring communities too small to afford individual police departments.
