## **The HIPAA Privacy Rule HHS.gov**

HHS announces a final rule that implements a number of provisions of the HITECH Act to strengthen the privacy and security protections for health information established under HIPAA.

## **HIPAA Privacy vs. Security: What's the Difference ...**

While HIPAA privacy and security may seem like interchangeable concepts, this post will examine the difference between HIPAA privacy and HIPAA security. It will also look at how and why you should maintain HIPAA compliance to ensure both are maintained effectively.

## **What is HIPAA pliance? | Protected Health Information**

Read below for an excerpt about what is HIPAA compliance: HIPAA, the Health Insurance Portability and Accountability Act, sets the standard for protecting sensitive patient data. Any company that deals with protected health information (PHI) must ensure that all the required physical, network, and process security measures are in place and ...

## **What Is HIPAA Security Rule and Privacy Rule?**

As organizations transition to the cloud, they must also consider how using cloud services impacts their HIPAA Security Rule compliance, and explore 3rd party cloud security solutions such as a CASB. A cloud service that handles ePHI is a business associate under HIPAA and thus must sign a business agreement specifying compliance. However, due diligence — and ultimate responsibility — lies ...
