{ It's Called Dyslexia Live and Learn Books By Moore ...

It is very relatable for young children; and was ideal for us as it is told from the perspective of a first grade girl (like our daughter). It addresses not only dyslexia from the academic difficulty perspective, but also equally from the emotional and social toll it can take on kids struggling with difficulty in reading. Halfway through the book, my daughter said, "that's me." This book really helped making the conversation with our daughter a positive experience. highly recommend.

It's Called Dyslexia (Live and Learn Series) PDF

This is one of several titles in Barron's Live and Learn series for younger children. They are books that take a child's point of view, especially if the child suffers from some physical challenge or lack self confidence in going about everyday activities.
