Liquid Diet: The Why and How 300 Pounds Down

I am attempting to do this liquid diet as a means not only to detox my body, but also to break that barrier in my weight. I am not going to lie, right now I want nothing more than to eat something from the fridge or pantry but I am trying to keep distracted. I commend anyone who is able to stick with this diet as I hope that I am strong enough to stick with it myself. Thank you for the inspiration and the realism.
