## **Reproductive Justice: An Introduction | Hypatia Reviews Online**

Reproductive Justice: An Introduction was written as a primer. The goals of its co authors an activist (Ross) and a scholar (Solinger, historian) are to introduce readers to reproductive justice as a "creative vision for achieving human rights protections," and to distinguish that vision from the more limited pro choice anti abortion debate that has dominated the national conversation on reproductive rights for half a century (1).

## **Reproductive Justice: An Introduction on JSTOR**

Reproductive justice is a contemporary framework for activism and for thinking about the experience of reproduction. It is also a political movement that splices reproductive rights with social justice to achieve reproductive justice.

### **New Reproductive Justice Guide Is a Powerful Vision for ...**

*Reproductive Justice: An Introduction* brings forth the historical context needed to dispel arguments that misconstrue the principles of reproductive justice as exclusionary or a frustration to the mainstream “choice” movement. On the contrary, Ross and Solinger help prove that while choice is important, it is but a bullet point on a larger list of human rights issues.
