Glen Denny: Yosemite in the Sixties: Yvon Choïnard, Kevin ...

Yosemite in the Sixties tells a story of men who develop and live their passion. For those willing to invest a couple of hours to see and feel this experience, Yosemite in the Sixties is a must. Glen Denny is a tall quiet man. He expresses much in few words. His book is of his pictures. They speak more than many could say. His pictures show faces: "...a rock wall or a human being," Chouïnard writes. Glen's pictures show people who define themselves by their passion for climbing rock walls.

Yosemite in the sixties (eBook, 2007) [WorldCat.org]

The awesome Half Dome and El Capitan were first climbed in the late 1950s, ushering in a new era of rock climbing later known as the golden age of Yosemite climbing. During this era, the climbers of the sixties developed the techniques, tools, and philosophies that made Yosemite the most influential rock climbing arena in the world. In the spirit of the social changes of the sixties, a small group of committe.
